- Brock's Monument
- Other: _____

Donations are tax deductible (Charitable# 11923 4086 RR0001)

Thank you for supporting the Friends of Fort George, a non-profit organization that works in partnership with Parks Canada to preserve, promote and protect the historical importance of Niagara's National Historic Sites. The Board of Directors, with the support of its members, raise revenue through the operation of on-site gift shops, special events, donations and fundraising activities. Our endeavours support student summer employment and stewardship programs.

Help us keep these programs alive!

Your donations help to preserve Niagara's Unique History.

Make a Donation to the Music Program

Over the past 30 years, the 41st Regiment of Foot Fife and Drum Corps has become an icon of Fort George National Historic Site. The Fife and Drum Corps program has been created for youth, starting at the age of ten, and offers them instruction in drill, music and music ensemble. In 2012, Corps musicians also began practicing as the 41st Regiment of Foot Band of Music. This is a unique program to Fort George which highlights the social music of the early 19th Century, using period instruments—flutes, clarinets, serpent and percussion. Donations to the music program will help the Fife and Drum Corps' and Band of Music's programs buy the necessary instruments and materials needed to continue preserving and promoting the role of music in military and civilian life in Upper Canada.

Brock's Monument

The Friends of Fort George, in partnership with Parks Canada, work to provide an interpretive program at Brock's Monument throughout the summer. Your donation to Brock's Monument will help support student summer employment opportunities, and the up-keep of displays in the museum.

General Funds

The Friends of Fort George, with partial funding from the Canada Summer Jobs Program and Young Canada, hire between 15-25 students annually for positions at Fort George and Brock's Monument. Donations to General Funds will be used to support employment opportunities and special events at Fort George.
